

## **Blasting:**

A permit is required to conduct any type of blasting operations in Davidson County.

Conditions of this permit are as follows:

- Must notify the State of Tennessee before blasting.
- Inspection required before permit is issued.
- Must have mats on site.
- Must have fire extinguishers on site.
- State of Tennessee Blaster's License required.
- Federal Explosive License required.
- No product on site until issuance of permit.
- Special permission must be given for night-time blasting.
- Must have blasting signs.
- Must have sound horn.
- Must have proof of insurance (with Metropolitan Government of Nashville and Davidson County listed as an additional insured).
- Pre-blast survey requires holes to be matted.

During the application process be prepared to upload the following documents:

1. Blaster's License
2. Pre-blast Survey
3. Federal Explosive License
4. Insurance Certificate (with Metropolitan Government of Nashville, Davidson County listed as an additional insured)
5. Detailed Site Map that includes a legend, the entire event area, location of set up on the property, location of any equipment and tanks, street intersections, buildings in close proximity, and landmarks
